My home town in Arizona has an Adult Center with Lapidary equipment and other things like Ruby is describing their fees for the year used to be 50 bucks... My mother in-law goes there every week to play card etc... they used to have a wood working shop but the insurance got the better of them.. so the lapidary was what they settled on

16:48:48 From Scott:

Our club meets monthly at a barn on our Safety City property. Land would probably cost 500,000.00. Amazing that they have facilities they own.
