Rooms at the Hotel Meade are getting booked now. We have a spot of 50 at the moment....well about 32 now, lol. \$130 a night. Talk to the receptionist in bookings and use LEVELUP as the rate discount code. If we use up the current 50 allotment and we have time before August 1, 2026 we can get additional rooms at that rate....but not after 8/1/26

I would price these 10-15\$. As for selling anything, being up on your feet, greeting anyone who come close to your area, making eye contact with as many as possible. If they hesitate to look, talk to them about the wood, the process, anything that draws them into your work. Much like Clayton talked about asking the kids to name the critters. Get they possible customers to get involved and sales will come along.
