can you move the battery to thyour belt?

17:23:14 From Joaquin Juatai - Thomasville, N.C.:
Replying to "does anyone have thi..."

The only thing I don't like about my Airshield is the weight. It kills my spine. I'm looking very closely at the new Microclimate Air3. ANSI rated, respirator, NOT filter - it's rated for both particle and chemicals. The weight rests on your shoulders, not your head.
