I use the dust deputy for drywall dust.

20:19:08 From Tim Hatch Bastrop, TX:

I have the Harbor Freight system rigged up like Billy but have a Thein Baffle system with a 45 Gallon Trash can under it... And two offset wedges to hold it up against the baffle... remove one of the wedges empty the can... Blow my exhaust out the side of the shed

This shows all the math that corroborates the differences in hose/pipe size and type.

20:43:09 From Tim Hatch Bastrop, TX:

That way he can keep his AC and Heat in his shop instead of blowing it out the wall like me and
